## Chapter 1 by Lauren Nash

Agent A clicked his gun into the holster. Another Day, Another life to take, another added night of restless sleep. Agent A was the best of the best, and with that comes more kill count.

"Agent A" his holo-watch beeped with a message from his boss.

"Yes, Mr. K" he replied

"Agent A we have another mission for you." Mr. K replied.

"I'm not even done with this mission."

Agent A looked around, what a mess of bodies.

"I'll send you the details, ta ta!" Mr. K's image faded to black.

A cough comes from the corner of the room.

"More like...Agent Asshole." a wounded man coughed out.

"The A stands for APE." Agent A pulled out a banana and his gun with the other paw and shot the man.
